Sub: Empanelment with CCI

This is with reference to your Expression of Interest (EoI) dated 10.07.2026 wherein you have evinced interest for empanelment as an Institution/Agency with the Competition Commission of India ("the Commission") for conducting surveys and/or market studies, as and when needed by the Commission for the purpose of the Competition Act, 2002.

We are pleased to inform you that your EoI has been considered favourably and you are advised to give your assent for empanelment on the following terms and conditions:

- i. You will abide by the Commission's terms and conditions and you will not claim any retainer fee or employment in the Commission's service.
- ii. The fee payable to you shall be governed by a separate financial bid invitation depending on the nature and scope of the work on a case-by-case basis.
- iii. Empanelment does not confer any right or claim that you alone should be entrusted with the Commission's work. The empanelled Institutions/Agencies would be offered specific work, when the Commission deems it necessary on a competitive bidding basis (technical and financial bids for specific projects). However, the Commission does not bind itself to seek competitive bids from the empanelled Institutions/Agencies only.
- iv. You will not delegate the work assigned to you to any other agency. You may have to coordinate and work with other designated Institutions/Agencies, if any, engaged in the work as well as with the officers of the Commission, if required.

- v. All research outputs including reports, papers, presentations, etc. produced by you during the course of a specific assignment shall remain the intellectual property of the Commission. You shall not be allowed to use the same for any other purpose.
- vi. You shall preserve strict confidentiality of all information or material gathered during the course of a specific work assigned to you by the Commission and shall not disclose any such information or material to any third party at any point of time. The information or material received by you during the course of engagement shall not be used for any other purpose.
- vii. At the time of award of a specific work, a separate Non-disclosure Agreement will have to be signed by the head of your organisation.
- viii. You shall not use the Commission's name or logo in your letterheads, signboards, nameplates, etc.
- ix. You are requested to return the duly signed duplicate copy of this letter indicating your unconditional consent.

We look forward to your acceptance at the earliest.
